

Lifetime Connect

THERAPY & EDUCATION SUPPORT SERVICES

We are a team of experienced and specialised allied health professionals who provide therapy and educational support to children, adolescents and young adults across a range of settings, including schools, preschools, our clinics, homes and the wider community. We predominantly support individuals aged 0-15 years, with our Counsellors extending services up to 25 years. Our clinics are located in Macksville and Port Macquarie and we offer outreach services throughout the surrounding regions.
